AAUW Project Planning

| Project: | |
|---|-----------------|
| Leadership Team: | |
| Step | |
| What values does this project support? | |
| 2. What is the goal of the project? | |
| Tasks of the Leadership Tea | |
| | what, when, who |
| 3. Brainstorm the most effective, efficient project activities | |
| 4. Build and review an inventory of necessary resources and approvals | |
| 5. Gain specific commitments from participants | |
| 6. Develop a trail of milestones (to map progress!) | |

7. Charting the Project: (this is a specific plan that must be monitored)

| Task | Responsibility | Finished by | Done |
|------|----------------|-------------|--------------------|
| | | | Done (checkoff) |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

- 8. Keeping the Project On Track
 - a. Who is responsible?
 - b. How will it be accomplished?
- 9. Evaluating the Project: (refer to the goal(s) stated above)
 - a. Who will evaluate?
 - b. To whom will the evaluation be reported?
