The Quality Inn in Statesville where the block of rooms is reserved for AAUW NC for 10/19-10/21 has a meeting room that they will let us use at no additional charge. They also have wireless Internet access.

So...

I can be available, say 2:00 – 4:00 on Friday, 10/20, to demonstrate the new AAUW NC web system and discuss options for creating branch web sites. If you're interested, let me know.

Other meetings may be arranged. **If you have suggestions for topics that would meet your branch's needs, please let us know.**
