

# AAUW NC Info Packet

September, 2006

## **Forms**

### Branch Recognition Form

This is a chance for the branches to celebrate their successes. It is used by the state board to get a snapshot of where the branches are putting significant efforts.

### Branch Program Summary

All branches are asked to return this form to document their programs and events. It is used by the state board to understand the programming in more depth. Please do try to complete the form for at least a few of your programs.

### AAUW NC Mini-Grant Application Forms

The applications will be accepted on a rolling basis this year. See the form for details.

### AAUW NC 100 Club Forms

These forms have been modified slightly for 2006, but the idea is the same: contribute \$100 to AAUW NC or 100 hours to AAUW at any level, and you will be recognized as a member of the club. Note that branches, as well as individuals, may join with a contribution. The Fundraising Leadership Team is looking at new ways to recognize these VIPs. The Administration Leadership Team is considering ways to reward branches (e.g. waiving fees for state sponsored web sites, etc.).

## **Programming Resources**

At the 2005 NC Convention, there was a vote recommending two projects to the branches: reading *Blood Done Sign my Name* by Tim Tyson and educating branch members about IFUW. These resources are on the web:
