Dear Branch President,

I hope this finds you celebrating the season with your family and friends – and that your AAUW events this month have brought you good cheer and good fellowship.

We'll be “talking” more over the next several weeks. Here, though, are a few key forms and messages that you may want to review early in January. Watch for more information in the **Tar Heel News** that will go into the mail next week.

All the best for the holidays and have a wonderful new year!

Yours in equity,

North Carolina

Nancy Shoemaker

Please give Nancy some feedback on these mailings. Answers to any of the following would be helpful. Thanks!

1. Is once a quarter too often? Not often enough? Just right?
2. Are the mailings too long? Too short? Just right?
3. If the mailings are valuable to you, what are their benefits?
4. Would you get the same benefits if they were e-mailed to you?
5. What else would you like to see included?
