

# **AAUW NC Mini-Grants**

## ***Introduction***

AAUW NC offers mini-grants to branches on a rolling basis.

We encourage action-oriented projects or other meaningful branch proposals that promote the mission of AAUW and/or current national and state priorities. We look for impact on the local community. However, awards may be made for branch infrastructure and outreach programs, particularly if they are tied to building the capacity of the branch to do community action projects in the future.

## ***Reminders:***

**Mission:** AAUW advances equity for women and girls through advocacy, education, philanthropy, and research..

**Diversity statement:** There are no barriers to full participation on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.

**Value promise:** By joining AAUW, you belong to a community that breaks through educational and economic barriers so that all women have a fair chance..

## ***Other notes***

The judges will award grants based on

1. Application containing all the requested information
2. Amounts requested and financial justification for those amounts
3. Preference for new projects
4. Expected impact for the benefit of AAUW NC and its branches

Grants will be payable to the branch and sent to the branch treasurer.

There is no requirement that the judges distribute all the allocated funds. They may make awards for less than the requested amounts.

Any branch receiving an award is required to submit a final report that includes:

1. Summary of how the funds were used
2. Evaluation of progress toward the long term goal
3. Any specific benefits that the project brought to the branch or AAUW NC.
4. Links to web articles about the project or other external documentation

This report should be submitted within two weeks of the completion of the project, and any branch that has not submitted a report by the deadline specified in their application, will be asked to return the funds.
